CALL FOR PAPERS

Education and Training in Optics and Photonics

May 29-31, 2017

Zhejiang University, Hangzhou, China

ETOP (Education and Training in Optics & Photonics) is a biennial conference that brings together educators from around the world to share information about the practice of teaching optics at all levels. The teaching of optics and photonics, critical fields at the core of today's world-wide technological infrastructure, must continually be upgraded and renewed in order to meet the growing demands of research, science and industry.

ABSTRACTS SUBMISSION (300-800 words in English)

Topics should be from the fields of the following:

- ✓ Curriculum development in Optics and Photonics Education
- ✓ New Pedagogical Methods, Tools and Models in Optical Education
- ✓ Laboratories for Optics Education
- ✓ Education and training for multidisciplinary education
- ✓ Training Programs for Senior Undergraduates
- ✓ Digital and Internet Technology for Optical Education
- ✓ Education in Optics and Photonics for Industry
- ✓ International exchange and cooperation for Optical Education
- ✓ Assessment and evaluation of education

Important Dates

- ✓ First announcement/call for papers: June 1, 2016
- ✓ Abstracts deadline: November 1, 2016
- ✓ Full Manuscript due date: May 1, 2017

Contacts

For more information, please contact: Dr. Yaocheng Shi, yaocheng@zju.edu.cn
